"That a formal review be undertaken to explore the opportunities to safely amend patrols hours during October for the 20/21 patrol season. The review will include data recording by the club in partnership with the branch. SLS Sydney will send a Duty Officer down each afternoon at 4pm between 06 October and 20 October 2019 to review attendance/photo and beach usage. The Duty Officer and the patrol captain will also review if the patrol is to come off the beach before the scheduled finish time if not warranted to have a patrol on the beach (due to darkness, inclement weather, limited attendance etc), The SLS Sydney DO can provide a recommendation to reduce or not to reduce the finish time between 4pm and 6pm to the patrol captain. A meeting to be set in December to review the data and beach photos for input into 2020/21 start of season hours in the agreement."
